By submitting this form you are requesting to receive a sample of the LittleFingers keyboard for a 30-day evaluation within your school. You are also agreeing to arrange for the keyboard to be returned to DBZ (at your cost) at the end of the 30-day period.

The trial period will start from the time DBZ arranges for a keyboard to be delivered to you.

Should the keyboard be damaged beyond "fair wear and tear" or lost or stolen while in your care, DBZ may invoice you for the cost of repair or replacement.

Should the keyboard not be returned within one week of the end of the review period, it will be considered "lost".
